YOUR TRUTH IN SAVINGS DISCLOSURE

To open your account, complete the appropriate account card and return it to our Member Services Representative. Please read this brochure completely and retain it with your personal records.

All agreements and disclosures shall be construed in accordance with the provisions of the California Uniform Commercial Code (UCC). Share "savings" accounts, share draft "checking" accounts and share certificate accounts are subject to the requirements below and such other terms and conditions as established by the Board of Directors and as contained in the account agreements.

INFORMATION REGARDING MEMBER IDENTIFICATION

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for our Members: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying objects.

GENERAL INFORMATION ABOUT ALL OF OUR ACCOUNTS

MEMBER ENTRANCE FEE

The member entrance fee in the Arrowhead Credit Union is \$5.00.

BYLAW REQUIREMENTS

A member shall be admitted to membership upon payment of the member entrance fee to be established from time to time by the Board of Directors.

A member who reduces his share balance below the required minimum regular share and does not increase the balance within 6 months of the reduction may be terminated from membership at the end of a dividend period.

The Credit Union reserves the right, at any time, to require members to give, in writing, not less than 7 days' and not more than 60 days' notice of intention to withdraw the whole or any part of the amounts deposited by them.

No member may withdraw funds on deposit that is pledged as required for security on loans.

ACCRUAL OF DIVIDENDS

Dividends begin to accrue on the business day you deposit cash or non-cash items (e.g., checks) to your account if deposited before close of business.

DIVIDEND RATES

The dividend rate and annual percentage yield on our savings, checking and share certificate accounts are stated on the Deposit Accounts Sheet accompanying this Disclosure.

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

BALANCE INFORMATION

We compute the balance in our accounts to determine the dividends you will be paid by using the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. We calculate the average daily balance by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

DIVIDEND COMPOUNDING AND CREDITING

For all dividend earning accounts, dividends will be compounded monthly and will be credited monthly. For the share accounts, the dividend period is monthly. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date follows the ending date of a dividend period. The most recent dividend declaration date is reflected on the accompanying Deposit Accounts Sheet.

CHANGES IN TERMS AND CONDITIONS

The use of an account is subject to such other terms, conditions and requirements as the Credit Union may establish from time to time. The Credit Union has the right to change the terms and conditions of this Agreement at any time, in any manner, and for any reason. We may delete or modify existing terms. We may add new terms without regard to whether

the matter is already addressed by this Agreement. We may offer new or different services at any time, and may convert an existing account or service into a new account or service. We will generally notify you in advance of changes by sending written notice to your address as it appears on our records. However, we may make changes without sending you advance notice, unless such notice is required by law. By continuing to use or keep your account open, you will be deemed to accept and agree to any such changes in terms.

ZERO BALANCE ACCOUNT(S)

Any account that has a zero (\$0.00) balance for a period of ninety (90) days or more is subject to closure.

INACTIVE ACCOUNT(S)

If you do not conduct a transaction on your account (i.e., a withdrawal, deposit, or transfer to or from your account, other than an automated transaction) for more than one (1) year, we may classify it as an "inactive" account. We will notify you in writing at your last known address if your account is classified as "inactive". An inactive account fee may be assessed monthly until you initiate a transaction (please refer to our Schedule of Fees). Once you initiate a transaction, either in person or in writing, we will reactive your account.

INCORPORATION OF IRA AGREEMENT AND DISCLOSURES

ELECTRONIC FUND TRANSFER DISCLOSURE AND AGREEMENT

This EFT Disclosure and Agreement as amended from time to time ("Agreement") sets forth the terms and conditions governing the use of the Arrowhead Credit Union electronic transfer services. Disclosure information that applies to all electronic services offered by Arrowhead Credit Union is given below, followed by specific disclosure information for each service. This Agreement takes the place of all prior agreements and disclosures governing the use of all electronic services. By retaining, using, or allowing others to use the electronic services offered by Arrowhead Credit Union, you are agreeing to be bound by the terms and conditions of this Agreement. In this Agreement, the term ("you") and ("your(s)") refer to the member, and the terms ("we,") ("us") and ("our(s)") refer to Arrowhead Credit Union.

PERSONAL IDENTIFICATION NUMBER

The Credit Union will issue you a Personal Identification Number ("PIN") that must be used with the ATM Card or Debit Card for transactions that require the use of a PIN. This number should be memorized-DO NOT write it on your ATM Card or Debit Card. After memorizing your PIN, you should destroy the notice disclosing your PIN. If you forget your PIN, contact the Credit Union and we will issue you a new one. You can also select your PIN or change your PIN at any of our branches.

RIGHT TO RECEIVE DOCUMENTATION OF TRANSACTIONS

You will get a monthly account statement reflecting all of your transactions unless there is no activity in a particular month. In any case you will get the statement at least quarterly. Depending on the terminal or if the transaction is \$15 or less, you may receive a receipt at the time you make a transaction at a terminal. If you do receive a receipt, retain the receipt to compare with your monthly statement from the Credit Union.

YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING AUTOMATED TELLER MACHINE (ATM) CARDS

Tell us AT ONCE if you believe your ATM/POS Card and/or Personal Identification Number (PIN) has been lost or stolen, or if you believe that an electronic transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within two (2) business days, you can lose no more than \$50 if someone used your ATM/POS Card or PIN without your permission. If you DO NOT tell us within two (2) business days after you learn of the loss or theft of your ATM/POS Card or PIN, and we can prove that we could have stopped someone from using your ATM/POS Card or PIN without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. **If you have authorized someone else to use the ATM/POS Card and/or PIN, you are responsible for all transactions that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized.**

YOUR LIABILITY FOR LOST, STOLEN OR UNAUTHORIZED TRANSACTIONS INVOLVING DEBIT CARDS

Tell us AT ONCE if you believe your Debit Card and/or Personal Identification Number (PIN) has been lost or stolen or if your statement shows an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit if you have one with us). If you tell us within sixty (60) days of our sending your statement, you can lose no more than \$50 if someone used your debit card without your permission. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the close of the sixty (60) days and before notice to us. If your delay in notifying us was due to extenuating circumstances beyond your reasonable control, including extended travel, your or a member of your family's death or serious illness, hospitalization, permanent mental impairment or serious physical impairment, unless the circumstance did not reasonably contribute to your delay in notifying us within the sixty (60) day period, we will extend the sixty (60) day period by a reasonable period. **If you have authorized someone else to use the Debit Card and/or PIN, you are responsible for all transactions that person or persons initiates at any time, even if the amount or transactions exceed what you may have authorized.**

SPECIAL NOTICE TO VISA DEBIT CARDHOLDERS

If there is an unauthorized use of your VISA Debit Card or a Plus network or Interlink transaction, and the transaction takes place on the VISA network, then your liability will be zero (\$0.00). This provision limiting your liability does not apply to Visa Corporate Card or Visa Purchasing Card Transactions, ATM cash disbursements processed on non-VISA or non-Plus networks, or non-VISA PIN-less debit transactions. Additionally, your liability with respect to unauthorized transactions may be greater than the above zero (\$0.00) liability limit, to the extent allowed under applicable law, if the credit union reasonably determines, based on substantial evidence, that you were grossly negligent or fraudulent in the handling of your account or card. In any case, to minimize your potential liability you should notify us of any unauthorized use no later than 60 days after your statement was mailed to you.

HOW TO NOTIFY THE CREDIT UNION IN THE EVENT OF AN UNAUTHORIZED TRANSACTION

Box 735, San Bernardino, CA 92402-0735. OUR LIABILITY FOR FAILURE TO MAKE TRANSFERS

If we do not complete a transaction to or from your savings or checking account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will NOT be liable, for instance, if:

- a) through no fault of ours, you do not have enough money in your account to make the transaction;
- b) the transaction would go over the credit limit on your credit line;
- c) the terminal where you were making the transaction did not have enough cash;
- d) the ATM or network system was not working properly and you were aware of the malfunction when you started the transaction;
- e) circumstances beyond our control (such as fire, flood, power failure, or computer down time) prevented the transaction, despite reasonable precautions that we have taken;
- f) the money in your account is subject to an uncollected funds hold, legal process or any other encumbrance or agreement restricting a transaction;
- g) your ATM Card or Debit Card has expired, is damaged so that the terminal cannot read the encoding strip, is inactive or because your PIN has been entered incorrectly;
- h) your ATM Card, Debit Card or PIN has been reported lost or stolen and we have blocked the account; or
- i) the failure to complete the transaction is done to protect the integrity of the system or to protect the security of your account.

There may be other exceptions not specifically mentioned above.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone us at 800.743.7228 or write to us at P.O. Box 735, San Bernardino, CA 92402-0735 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. You should also call the number or write to the address listed above if you believe a transfer has been made using information from your check without your permission. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45)** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)* business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If we decide that there was no error, we will send you a written explanation within three business days after we finish our investigation and any provisional credit issued to you will be reversed. You may ask for copies of the documents that we used in our investigation.

* If you assert an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days instead of ten (10) business days.

** If you give notice of an error within thirty (30) days after you make the first deposit to your account, or notice of an error involving a transaction initiated outside the U.S. its possessions and territories, we will have ninety (90) days instead of forty-five (45) days to investigate.

The Credit Union may cancel, modify and restrict the use of any ATM Card or Debit Card upon proper notice or without notice if your account is overdrawn or where necessary to maintain or restore the security of accounts on the ATM system.

ATM SAFETY

An ATM provides a quick and convenient way to access your money. However, use caution and remember the following safety tips whenever you use an ATM:

- Be aware of the surroundings, particularly at night.
- Look for well lighted ATM's when transacting at night.
- If you notice anything suspicious when approaching the ATM, return later or use another ATM.
- Have your transaction ready before you go to the ATM. When you can, fill out any deposit or withdrawal slips/envelopes before leaving your vehicle.
- Have your ATM Card or Debit Card ready, to avoid going through your purse or searching through the contents of your wallet at the ATM site.
- If you notice anything suspicious while you are transacting business, immediately stop your transaction, put your ATM Card or Debit Card away and leave.

- Consider having another person accompany you to the ATM.
- Immediately report all crimes to the ATM operator and to local law enforcement officials.
- Stand close to the ATM and away from others in line to avoid detection of your PIN or other account information.
- Put your cash away as soon as the transaction is complete; count the cash later in the safety of your vehicle or home.
- Never give information to strangers at the ATM or to anyone over the phone. Be aware of fraud or people who pose as Credit Union employees who try to get information from you. This information should only be discussed in person by you at the Credit Union.
- Remember to keep your PIN a secret. Make sure not to write it on your ATM Card or Debit Card or anywhere else in your wallet; thieves can easily figure out the reason for "hidden" or "secret" numbers.

➔ ***Additional Disclosures Applicable to VISA Debit Card Services***

ISSUANCE OF CARD

("Card") means the Arrowhead Credit Union VISA Debit Card and any duplicates, renewals or substitutions the Credit Union issues to you; ("Account") means the account designated on the application for your VISA Debit Card.

RESPONSIBILITY FOR TRANSACTIONS

You are responsible for all transactions you make with the Debit Card or that you authorize another person to make with the Debit Card. You understand that if you disclose your Debit Card PIN to anyone, they will have access to all accounts identified by your account number. If the Account is a joint account, all transactions involving the account are binding on all Account holders.

MERCHANT DISPUTES

For POS transactions directly accessing a line of credit, the Credit Union is not responsible for the refusal of any merchant or financial institution to honor the Debit Card. The Credit Union is subject to claims and defenses (other than tort claims) arising out of goods or services you purchase with the Debit Card if you have made a good faith attempt but have been unable to obtain satisfaction from the merchant or service provider and (a) your purchase was made in response to an advertisement the Credit Union sent or participated in sending to you or (b) your purchase cost more than \$50 and was made in your state or within one hundred (100) miles of your home.

LIMITATIONS ON DOLLAR AMOUNTS AND FREQUENCY OF TRANSACTIONS

Purchases made above the floor limit of the merchant will require an authorization number from VISA.

You may make ATM cash withdrawals up to \$510 or POS transactions up to \$2,500 each 24-hour period as long as your available balance will cover the transaction.

For Teen Debit Account holders, you may make ATM cash withdrawals or POS transactions up to \$200 each 24-hour period as long as your available balance will cover the transaction.

Various institutions which participate in networks of which the Credit Union is a member may have withdrawal limits different from the amount set forth herein. In the event that a specific ATM is so limited, you may not be able to withdraw more than the cash limit of that particular ATM.

USE OF THE DEBIT CARD

You may use the Debit Card and PIN to:

- Withdraw cash from your savings or checking account at ATMs, merchants, or financial institutions that accept VISA Debit Cards;
- Transfer funds between your savings, checking or loan account you have with the Credit Union; and
- Make deposits to your savings or checking account at the Credit Union.
- You may use the Debit Card without the PIN to:
 - Purchase goods or services at places that accept VISA Debit Cards (these are point of sale or POS transactions);
 - Order goods or services by mail or telephone from places that accept VISA Debit Cards;
 - Order goods or services without a PIN by mail, online, or telephone at merchants who offer the payment transactions processed through the STAR, CO-OP, or any other Debit Card network; and
 - Make automatic payments from your checking account to pay bills or other charges, providing that the person or organization that you are paying agrees to accept payments this way.

Some of these services may not be available at all terminals.

Use of the Debit Card, the account number on the card, the PIN or any combination of the three for payments, purchases, or to obtain cash from merchants, financial institutions or others who honor VISA Debit Cards is an order by you for the withdrawal of the amount of the transaction from your account. Each transaction with the Debit Card will be charged to your account on the date the transaction is posted to your account. When the Credit Union receives notification of a VISA Debit Card transaction, it will put a hold on an equivalent amount of funds in your checking account for three (3) days or until the day the transaction is charged to your account.

All Debit Card transactions covered by this agreement are subject to the terms and conditions of your account agreements with us governing the affected accounts, except as modified by this agreement. Any future changes to your account agreements may affect the use of the Debit Card.

ILLEGAL USE OF VISA DEBIT CARD

You agree that your VISA Debit Card Account will not be used to make or facilitate any transaction(s) that are or might be construed to be illegal pursuant to applicable law, rule or ordinance, including but not limited to gambling. Said use, including any such authorized use, will constitute an event of default under this Agreement. You agree that the Credit Union has no liability, responsibility or culpability whatsoever for any such use by you or any authorized user(s). You agree that you are responsible for repayment of any and all debts incurred for these transactions. You further agree to indemnify and hold the Credit Union harmless from any suits, liability, damages or adverse action of any kind that results directly or indirectly from such illegal use.

OVERDRAFTS

You promise to pay the Credit Union immediately upon demand for any negative (overdraft) balance arising in your Account, unless you have available overdraft privileges. If you do not have overdraft privileges, the Credit Union may deduct the amount of any overdraft on your Account from any other account you have with the Credit Union, except an Individual Retirement Account.

REFUSAL TO HONOR CARD

The Credit Union is not liable for the refusal or inability of any electronic terminal to honor the Debit Card or to complete a withdrawal from your account, or for their retention of the card. The Credit Union is also not responsible for the refusal of any merchant or financial institution to honor the card or for their retention of the Debit Card.

FOREIGN TRANSACTIONS

Foreign Transactions in Foreign Currency - Purchases and cash advances made in foreign currencies will be billed to you in U.S. dollars. Transactions processed outside of the United States, or in a foreign currency may be charged a foreign transaction fee, regardless of whether there is a currency conversion associated with the transaction. The conversion rate in dollars will be a rate selected by VISA from a range of rates available in wholesale currency markets for the applicable Central Processing Date, which rate may vary from the rate VISA itself receives, or the government-mandated rate in effect for the applicable Central Processing Date in each instance, plus a one percentage point (1%) fee charged by the Issuer.

Foreign Transactions in U.S. Currency - Purchases and cash advances made in foreign countries will be billed to you in U.S. dollars. Transactions processed outside of the United States, in U.S. dollars, may be charged a foreign transaction fee of point eight percent (.8%), regardless of whether there is a currency conversion associated with the transaction.

REGULATIONS RELATING TO WIRE FUND TRANSFERS

APPLICABLE LAW

This agreement and notice applies to funds transfers as defined in the Article 4A of the Uniform Commercial Code and Subpart B of Regulation J of the Board of Governors of the Federal Reserve System.

FUNDS TRANSFER CUT-OFF TIME

The Credit Union may establish or change cut-off times for the receipt and processing of funds transfer requests, amendments, or cancellations. Unless other times are posted for the various types of funds transfers, the cut-off time will be at 12:00 p.m. on each weekday that the Credit Union is open excluding holidays. Payment orders, cancellations, or amendments received after the applicable cut-off time may be treated as having been received on the next funds transfer business day and processed accordingly.

SERVICE CHARGES/FEES

The Credit Union may charge your account for the amount of any funds transfer initiated by you or by any person authorized by you as a joint tenant or other authorized party with the right of access to the account from which the funds transfer is to be made. Please refer to our Schedule of Fees and Charges for current fees.

SECURITY PROCEDURES

The Credit Union may establish, from time to time, security procedures to verify the authenticity of a payment order. You will be notified of the security procedure, if any, to be used to verify payment orders issued by you or for which your account will be liable. You agree that the authenticity of payment orders may be verified using that security procedure unless you notify the Credit Union in writing that you do not agree to that security procedure. In that event, the Credit Union shall have no obligation to accept any payment order from you or other authorized parties on the account until you and the Credit Union agree, in writing, on an alternate security procedure.

USE OF FEDWIRES

If you send or receive a wire transfer, Fedwire may be used. Regulation J is the law covering all Fedwire transactions. This means that your rights and liabilities in a wire transfer involving Fedwire will be governed by Regulation J.

IDENTIFICATION OF BENEFICIARY

If you give the Credit Union a payment order which identifies the beneficiary (recipient of the funds) by both name and identifying or account number, payment may be made by the beneficiary's bank on the basis of the identifying or bank account number, even if the number identifies a person different than the named beneficiary. This means that you will be responsible to the Credit Union if the funds transfer is completed on the basis of the identification number you provided the Credit Union.

IDENTIFICATION OF BENEFICIARY AND INTERMEDIARY BANK BY NUMBER

If you give the Credit Union a payment order which identifies an intermediary or beneficiary's bank by both name and an identifying number, a receiving bank may rely on the number as the proper identification even if it identifies a different bank than the named bank. This means that you will be responsible for any loss or expenses incurred by a receiving bank which executes or attempts to execute the payment order in reliance on the identifying number you provided.

PROVISIONAL ACH PAYMENTS

The Credit Union may at its discretion give you credit for Automated Clearing House (ACH) payments before it receives final settlement of the funds transfer. Any such credit is provisional until the Credit Union receives final settlement of the payment. You are hereby notified and agree, if the Credit Union does not receive such final settlement, that it is entitled to a refund from you of the amount credited to you in connection with that ACH entry. This means that the Credit Union may provide you with access to ACH funds before the Credit Union actually receives the money. However, if the Credit Union does not receive the money, then the Credit Union may reverse the entry on your account and you would be liable to repay the Credit Union.

NOTICE OF RECEIPT OF ACH FUNDS

ACH transactions are governed by operating rules of the National Automated Clearing House Association. In accordance with these rules, the Credit Union will not provide you with next day notice of receipt of ACH credit transfers to your account. You will continue to receive notices of receipt of ACH items in the periodic account statements which we provide.

RECEIPT OF INCOMING (NON-ACH) FUNDS TRANSFERS

If the Credit Union receives a funds transfer for you or for other persons authorized to have access to your account, you agree that the Credit Union is not obligated to provide you with next day notice of the receipt of the funds transfer. The Credit Union will provide you with notification of the receipt of all funds transfers by including such items in the periodic account statements which we provide. You may, of course, inquire between receipt of periodic statements whether or not a specific funds transfer has been received.

PAYMENT OF DIVIDENDS

If the Credit Union becomes obligated under Article 4A to pay dividends to you, you agree that the rate of interest (or dividends) to be paid shall be equal to the dividend rate, on a daily basis, applicable to the account at the Credit Union to which the funds transfer should have been made or from which the funds transfer was made.

YOUR ABILITY TO WITHDRAW FUNDS

Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and we will use them to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after close of business or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$200 of your deposits, however, may be available on the first business day.

If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7th business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the 11th business day after the day of your deposit.

HOLDS ON OTHER FUNDS (CHECK CASHING)

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

DEPOSITS AT AUTOMATED TELLER MACHINES

Funds from any deposits (cash or checks) made at automated teller machines (ATM's) we do not own or operate will not be available until the fifth business day after the day of your deposit. This rule does not apply at ATM's that we own or operate. All ATM's that we own or operate are identified as our machines.

INITIAL DEPOSITS FOR ONLINE ACCOUNTS

Funds from an initial deposit made by transfer from another financial institution through the Automated Clearing House (ACH) system may not be available until the seventh (7th) business day after the day of your deposit. In addition, funds from an initial deposit made with a debit or credit card may not be available until the seventh (7th) business day after the day of your deposit. You are solely responsible for any cash advance or other fees or penalties that may be assessed by your debit/credit card issuer.

UNCLAIMED PROPERTY LAW- IMPORTANT NOTICE ABOUT YOUR ACCOUNT(S) OR SAFE DEPOSIT (CALIFORNIA RESIDENTS)

In addition, any property held in a Credit Union safe deposit box may be transferred upon the running of the time period specified by state law from the date any lease or rental period expires or any agreement for the safe deposit box terminates.

LOST, STOLEN OR DESTROYED CASHIER'S CHECK OR TELLER CHECKS

You may make a claim for a lost, stolen, or destroyed Credit Union issued cashier's check or teller check by notifying the Credit Union as soon as possible so as to afford the Credit Union a reasonable opportunity to act upon it before the check is paid. Your notice must describe the check with reasonable certainty and request payment of the amount of the check. The Credit Union will require you to provide identification and sign a written declaration under penalty of perjury stating the following:

1. You lost possession of the check;
2. You are the rightful owner of the check;
3. The check was not voluntarily transferred to a third party or lost through lawful seizure; and
4. You cannot reasonably obtain possession of the check because it was destroyed, its whereabouts are unknown, or it is in the wrongful possession of an unknown person or a person that cannot be found or is not amenable to service of process.

Your claim becomes enforceable at the time the claim has been made or ninety (90) days after the date the check was issued, whichever is later. The Credit Union may pay the check to a person entitled to enforce it at any point prior to that time without liability. Upon expiration of the ninety (90) day waiting period, if payment of the check has not been made to the person entitled to enforce it, the Credit Union will pay the amount of the check to you. However, if the check is later presented for payment by a holder in due course, and the Credit Union honors the check, you will be obligated to return the funds to the Credit Union.

Account Holder(s) understand that this means that the Credit Union has the right to impress and enforce a statutory lien against the Account Holder(s)'s savings and dividends in the event of the failure of the Account Holder(s) to satisfy any financial obligation due and payable to the Credit Union. Account Holder(s) understand that the Credit Union may enforce this right without further notice except Individual Retirement Accounts (IRA), Keogh Plan, Social Security/SSI, and as otherwise prohibited by law.

TRANSFERS TO THIRD PARTIES

During any calendar month, no more than six (6) withdrawals or transfers made to another account at the Credit Union or to a third party by means of a pre-authorized, automatic transfer, online or telephonic order or instruction, whether initiated by check, draft, debit card, or similar order payable to a third party, may be made from each savings account or money market deposit account. If an Account Holder exceeds, or attempts to exceed, these transfer limits, the excess transfer requests may be refused or reversed, a fee may be imposed on the excess transfer requests, and the Credit Union may reclassify or close the account. Transfers initiated by calling the Credit Union or through the "CU Hear" Audio Response service must be counted among the six (6) monthly transfers, except that there are no limits on the number of withdrawals paid directly to an Account Holder when such transfers or withdrawals are made by mail, messenger, automated teller machine (ATM), or in person, or when such withdrawals are made by telephone (via check mailed payable to the Account Holder).

Only checks and other methods approved by the Credit Union may be used to withdraw funds from a checking account.

ELECTRONIC CHECK CONVERSION

Upon prior notification from the merchant to the Account Holder, a purchase made with a check can be converted to a one-time electronic fund transfer (EFT) if authorized by the Account Holder. The Account Holder may also authorize merchants to electronically debit the account for returned check fees. It is agreed that the Account Holder authorizes the electronic funds transfers if the transaction is completed after being told (orally or by a notice posted) that the transfer may be processed electronically or if the Account Holder signs a written authorization.

DEMAND CHECKS

The Credit Union may pay and charge to the applicable checking account, checks drawn by and payable to any person, organization, association or corporation that has been authorized by an Account Holder to be paid, by the provision of MICR encoded information on the account. It is agreed that the Credit Union's rights in respect to such checks shall be the same as if it were a check drawn and signed by an Account Holder(s) personally. This authority shall remain in effect until revoked by an Account Holder in writing. It is agreed that the Credit Union shall be fully protected in honoring such checks. It is further agreed that if any such check is dishonored, whether with or without cause, and whether intentionally or inadvertently, the Credit Union shall incur no liability whatsoever, even though such dishonor results in the forfeit of insurance, loss or damage of any kind.

SUBSTITUTE CHECKS AND YOUR RIGHTS

What Is a Substitute Check?

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

What Are My Rights Regarding Substitute Checks?

In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500 of your refund (plus interest if your account earns interest) within ten (10) business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than forty-five (45) calendar days after we received your claim.

We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

How Do I Make a Claim for a Refund?

If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us at 800.743.7228 or write to us at P.O. Box 735, San Bernardino, CA 92402-0735. You must contact us within sixty (60) calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check and the following information to help us identify the substitute check: the check number, the name of the person to whom you wrote the check, and the amount of the check.

OVERDRAFTS

The Credit Union is under no obligation to pay a check which exceeds the balance in an account; the Credit Union may, however, pay such a check and recover or obtain a refund of the amount of the resulting overdraft plus a service charge from any of the Account Holders of this account, each of whom expressly agrees that each Account Holder is jointly and severally liable for any and all overdrafts of this account and any and all associated costs created by any Account Holder.

STALE-DATED CHECKS

The Credit Union is under no obligation but may pay a check which is presented more than six (6) months after it is dated. The Credit Union may assess a special handling charge upon receipt of any such item in addition to a service charge upon the account in accordance with the Schedule of Fees adopted by the Credit Union and as amended from time to time.

STOP PAYMENTS

Any Account Holder(s) of this account may stop payment of any item drawn against the account. The Stop Payment Order must describe the item with reasonable certainty and must be received in such time and manner as to afford the Credit Union a reasonable opportunity to act upon it. A Stop Payment Order is effective for six (6) months, but it lapses after fourteen (14) calendar days if the original order was oral and was not confirmed in writing within that fourteen (14) day period. The Stop Payment Order may be renewed in writing for an additional six (6) month period.

TRUNCATION OF CHECKS

The Account Holder(s) acknowledges that checks are truncated and hereby waives any and all rights to receive the items without prejudice to any of the Credit Union's defenses available under the California Uniform Commercial Code (UCC).

LIABILITY OF CREDIT UNION

Except for its own lack of good faith or failure to exercise ordinary care, the Credit Union is not liable for any action it takes regarding the payment or nonpayment of a check, even if nonpayment results in the forfeit of insurance, loss or damage of any kind.

CLOSURE OF ACCOUNT

The Credit Union may close a checking account at any time. Closure of a checking account will not affect the obligation to pay any outstanding balances or charges owed.

FOR CHECKING ACCOUNTS WITH SAVINGS OVERDRAFT PROTECTION

If any Account Holder(s) writes a check that would result in this Checking Account being overdrawn, the Credit Union is authorized to charge the designated savings account(s), regardless of which party signed the item, in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor the check and to credit such charge to this Checking Account. No check overdraft may be paid by charging a savings account if, as a result of such charge, that savings account would be subject in any one month to more than six pre-authorized, automatic or telephonic transfers.

FOR CHECKING ACCOUNTS WITH LOAN OVERDRAFT PROTECTION

If any Account Holder(s) writes a check which would result in this Checking Account being overdrawn, and if at that time any Account Holder(s) is eligible to receive loan advances from this Credit Union on a loan designated on the Overdraft Agreement, the Credit Union is authorized to make an advance from the designated loan account, and to credit the advance to this Checking Account in such multiples as determined by the Credit Union sufficient to permit the Credit Union to honor such check and any associated fees.

PLEDGING OF FUNDS

Share certificates may not be pledged, transferred, or assigned to any party other than the Credit Union unless otherwise provided by statute. Funds invested for an Individual Retirement Account (IRA) or Keogh Plan may not be pledged as security for any loan. The Credit Union reserves the right to offset this Share Certificate except as otherwise precluded by law. If the Credit Union offsets funds from this Share Certificate, the funds withdrawn are subject to the early withdrawal penalty.
