

## About Your Bill Pay

We're getting close! As we prepare to move your accounts to Arrowhead, there are a few important dates to note for bills you pay within HAPEFCU Online Banking.

Any bills or payees cannot be edited or added to HAPEFCU Online Banking after **April 19**.

Bills that already exist will be paid through **April 30**.

On **May 1**, you will be able to set up your payees and payments in Online Banking at Arrowhead.

If you have any questions, please call (310) 539-9870.

### Smart Tip

If you have any bills due on or near May 1, you may want to make other payment arrangements until you are able to setup bill pay in Arrowhead Online Banking.
