Quicken for Windows Conversion Instructions

Quicken for Windows 2011–2013

Web Connect

Table of Contents

Introduction

As Arrowhead Credit Union completes its online banking conversion, you will need to modify your Quicken settings to ensure the smooth transition of your data. To complete these instructions, you will need your account number and password for the Arrowhead Credit Union website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

NOTE:	This update is time sensitive and can be completed on or after 7/09/2013.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for ***Backing Up Your Data*** and follow the instructions.

2. Download the latest Quicken Update. For instructions to download an update, choose **Help** menu > **Search**. Search for ***Checking for Updates to Quicken*** and follow the instructions.

3.

Task 2: Deactivate Your Arrowhead Credit Union Account(s)

1. Choose **Tools** menu > **Account List**.

2. Click the **Edit** or **Edit Details** button of the account you want to deactivate.

3. In the **Account Details** dialog, click on the **Online Services** tab.

4. Click **Deactivate** or **Remove from One Step Update**. Follow the prompts to confirm the deactivation.

NOTE:	The name of the buttons referenced above vary depending on the services and the version of Quicken you are using.

5. Click on the **General** or **General Information** tab. Remove the **Account Number**.

6. Remove the name of the **Financial Institution**. Click **OK** to close the window.
